

## BC Hydro's Powersmart Energy Conservation Assistance Program (ECAP)

Eligible low-income housing units can get the following **free upgrades** in accordance with their energy audit:

- ✓ Low flow shower head
- ✓ Water heater tank wrap
- ✓ Compact fluorescent light bulbs for indoors and outdoors
- ✓ Faucet aerators
- ✓ Stripping, caulking, etc.
- ✓ Low wattage nightlight
- ✓ Fridge/freezer thermometers
- ✓ CO Monitor

Qualifying residence may also receive:

- ✓ Refrigerator replacement
- ✓ Advanced draft proofing
- ✓ Additional insulation

We will need the following information from you:

- ✓ Landlord Consent Form
- ✓ List of addresses you wish to apply for
- ✓ Completed "Income Criteria" form

Qualifying Criteria:

- ✓ Units are residentially metered
- ✓ Consume over 8,000 kWh/yr
- ✓ Tenants are screened based on income

Any complexes that do not qualify for upgrades will be eligible for FREE self installed Energy Savings Kits.

**We would love to hear from you! Please do not hesitate to contact us at any time if you have any questions or would like to set a time to begin the application process.**
