

Hi RCD friends,

It is sad to let you know that we lost one great lady on April 23; RCD founder Frances Clark passed away peacefully at her home. She was a strong and wonderful person, a leader, a mentor and a close friend to many of us. May she rest in peace.

Councillor Alexa Loo, City of Richmond: She was truly a force of spirit and an inspiration.

Alan Hill, Diversity Services Coordinator, City of Richmond: Frances will be greatly missed- I will always remember Frances- a great person- a great leader. Her legacy will live on!

Abu Hafizullah, Treasurer, RCD Board:

It is an unbearable loss for all of us; there is none to replace her, she was an amazing person.

Ella Huang:

Frances had done tremendous work for the RCD, for Richmond and for people with disabilities. She was a great mentor to me; she will always be on my mind, RIP.
