

Fellow Community Partners,

Boston Pizza Ackroyd and The Richmond Centre for Disability have teamed up to raise funds for the Richmond Centre for Disability's various different programs to promote opportunities for young people with disabilities.

Our Rebate Program is a program we have implemented to help organizations like the Richmond Centre for Disability raise funds for their programs and services. This is an initiative where each and every one of you can help just by dining at Boston Pizza Ackroyd.

Next time you dine with us, simply write "Richmond Centre for Disability" on your receipt and drop it into our "Team Sponsorship/Rebate Program" box, a red box located in the corner of our bar. We will then provide a certain percentage of the proceeds from your bill back to the Richmond Centre for Disability.

We would like to thank you all for your continued patronage and look forward to your help in continuing to support this great organization.

Thanks,
