How to Use the Map and Tables

- 1) Find the station you plan to exit
 - 2) If the station is green on the map or has an R beside it in the table, exit the train to the right relative to the direction the train is traveling
 - 3) If the station is blue or has an L beside it in the table, use the exit on the left side of the train
- * Please note that after 2pm the Waterfront Station exit switches to the left side
